

Pupil Premium Spending – 2019-20

We have 13 children eligible for Pupil Premium Funding, out of the school total of 103 pupils.

This means that 13% of the school are eligible for this funding of £1320 per child per year.

The current year total is £17,231.

Our aims in managing this funding.

- To spend the money wisely to ensure that any gaps in progress and attainment between socially disadvantaged pupils and their peers are closing.
- To clearly identify socially disadvantaged pupils who may be at risk of under achieving.
- To provide early intervention and support for all socially disadvantaged pupils.
- To ensure that socially disadvantaged pupils achieve or exceed age related expectations and that the vast majority achieve in line with their peers.
- To provide effective support for pupils, parents and families to ensure that children are ready to learn every day.
- To have effective systems in place for identifying those pupils eligible for pupil premium and for tracking the progress they make as a result of interventions.
- To regularly monitor and review the effectiveness of our spending and to share this information with parents, Governors and staff.
