Well, I can't believe we have come to the end of yet another term. It has been great to have the children back in school and although things are still not back to 'normal' they are certainly heading in the right direction. Our recent changes have made a huge difference and seeing all the children and parents together again makes it feel like we have a school back again.

Over the next few weeks we will be following guidance and will make changes around the school as and when we feel it is safe to do so.

We would love to hold an event in July for the children and parents to attend and will do everything we can to make arrangements for this but this will all depend on the government roadmap. Watch this space!

Thank you for your continued support. Mrs Willis

If your child does not have a school dinner, please make sure that they are provided with a healthy lunch - no sweets! Juice is only to be had at lunch time. A bottle of water should be provided for the rest of the day.

We encourage children not to bring a mobile phone into school but on the odd occasion if this needs to happen, we ask that they are handed in at the gate so they can be kept in the office until the end of the day.

Donations

We are looking for a child's tea-pot, cups and saucers and a child's Hoover

If you have any of these items in good condition, please let the office know.

Thank you!

Every week, take a peek!

If your child has hair that is long enough to tie up, please make sure that it is tied up every day. As more children are now back in school there are a lot more cases of headlice so please also check your child's hair weekly. We also do not allow big bows as part of the uniform, please keep them small and simple!

Say NO to the JoJo Bow!

School finishes for half-term on **Friday 28th May** and children return on **Monday 7th June**.
